

The decree from the King of Kings to Christian International: (based on Ezra chapter 6)

From Jesus Christ, ruler over all Heavenly and Earthly realms:

I, JESUS CHRIST, issue this decree to all principalities and powers which have worked to hinder CI from its work of restoration. The records in Heaven have been researched and found that King Jesus did commission Bill Hamon/CI to re-lay the Foundation of the Church which is Apostles and Prophets and continue building the Temple until it is finished. Therefore, I command you, Satan, to stay away from CI and hinder them no more. Moreover, I command you to start releasing all the resources CI needs to complete their commission from God. If anyone tries to alter or hinder this decree, they are to be destroyed. All Heaven is backing this decree and it is in force until CI fulfills their commission and God's building is finished.
